THE TREES OF BELOIT

Joseph W. Rhodes Arboretum and other places to see a wide variety of trees in Beloit.

Beckman Mill County Park

County Road H, Beloit, WI
www.co.rock.wi.us/parks-beckman-mill
This beautiful 52 acre park features a restored gristmill set among mixed oak woods, an oak savanna and wetlands.

Welty Environmental Center

County Road H, Beloit, WI
Located at Beckmill Mill County Park
www.weltycenter.org
"The Trees of the Welty Environmental Center" Tree Guide is available at the center.

Big Hill Park

1201 Big Hill Court, Beloit (off Afton Road)
This 190 acre City of Beloit park located on the bluffs of the Rock River has a wide variety of native trees, including a few Chinkapin Oak trees. Rarely found in Wisconsin, this oak is designated as a State Special Concern plant. It is normally found in oak savannas, edges of woods, and banks along water.

Rare Chinkapin Oak (or Chinquapin Oak) can be found at Bill Hill Park. *Quercus muehlenbergii*

MAP OF JOSEPH W. RHODES ARBORETUM

City of Beloit Park
Located at
Mechanics Green Park
1012 Broad Street
Beloit, Wisconsin

This map was prepared in 1997 by Robert Baller, Beloit Parks, and Kirby Benz, Beloit Engineering, and was updated by in 2010 by Ryan Jones, BSA Troop 615.

A list of the original 1965 tree donors and honorees is on file at the Beloit Historical Society.
