CREMORIAL LEDGER

The Cremorial Ledger is an affordable alternative to a traditional grave site. The ledger is designed with individual niches and located in a beautiful park setting, which is an ideal location for family and friends to visit and reflect on past memories of their loved ones.

EASTLAWN MEMORIAL TOWER

The Memorial Tower is our most affordable burial option and stands as the largest memorial in the cemetery. Urns are placed beneath the tower within the Ossuary creating a secure resting place.

Loved ones can also be memorialized on the adjacent Memorial Tower Monument.

PERPETUAL CARE

We recognize many factors make it difficult to care for your loved one's final resting place. Our maintenance staff mows, trims, repairs and levels headstones to ensure the honor, dignity, and respect in which your loved one deserves.

VETERAN SERVICES

We honor fallen Veterans who served to defend our freedom by offering veteran care services. The personal sacrifices made by the men and women who served cannot be underestimated. We deeply appreciate those who have served our country with courage and selflessness.

It is an honor to guide veterans and their family on how to receive the proper burial benefits afforded to them.

COLUMBARIUMS

Our exquisite above-ground granite Columbariums are embellished with a granite vase for floral decorations displaying a serene final resting place for a loved one's cremains.

Many colors and sizes are available.

IN-GROUND BURIAL SERVICES

For those who wish to remain connected to their families through tradition, an interment is a comforting choice. When choosing a grave site, it's important to consider the arrangement costs — which is why we have no hidden fees.

Pre-planning ensures a traditional interment will be affordable.
