PARK BENCH DONOR PROGRAM

PARK BENCHES

"The freshness of the morning breeze, the warmth of the afternoon sun, the echo of children's laughter and the distant song of the starlings as the late evening sun begins to set over the cool and tranquil water; these are some of my fondest memories of a lazy day sitting comfortably on my favorite park bench." - (author unknown)

Our city parks are extensively used daily by countless visitors, and many of them enjoy a variety of activities, while many of us simply enjoy the pleasantries that a comfortable park bench can provide. Therefore, the City of Beloit Parks & Leisure Services Division has designed a Park Bench Donor Program that provides an avenue for donors to acquire and dedicate a Park Bench by purchasing one of the three designated park benches as highlighted.

RIVERSIDE PARK MEMORIAL BENCH

A unique style designed by Victor Stanley, Inc. the PRS-127 Production Series Bench is an all steel bench with clean lines and curves that provide seating comfort and aesthetic appeal within the park. All benches are custom ordered and powered-coated in mint green color to match the other fixtures within Riverside Park. As a memorial, an optional 4"x6" Plaque can be mounted on your bench and engraved with your personal message on a choice of black, bronze, or green backgrounds.

- Bench with Memorial Plaque and Installation: \$1,600.00**
- Bench purchase only and Installation: \$1,400.00**

HORACE WHITE PARK HISTORIC PARK BENCH

The Ashley designed bench by Wabash Valley has a historic appearance and style of the park benches that were common place in park settings at the turn-of-the 19th Century when Horace White park was the centerpiece of Beloit. This cast aluminum bench has looping lines and soft dramatic curves that help make it one of the most unique places for anyone to grab a seat and enjoy this historic park. All benches will be ordered in black to depict the historic era and to complement the historic lighting fixtures within the park.

- Bench with Plaque and Installation: \$1,400.00**
- Bench purchase only and Installation: \$1,200.00**

CITY OF БЕЛОIT STANDARDIZE PARK BENCH

In order to create a uniform appearance in all of our city parks, we have designated a standardize Park Bench which will be placed in all of our park sites. Currently, the Parks & Leisure Services Division manages over 800 acres of parkland within 44 park sites, hiking and biking trails, and city public parking lots. We continue to have a need of providing new park benches throughout our extensive park system for you and our park visitors to enjoy. Our Standardize Park Bench is an economical recycled plastic style 6' or 8' bench made by DuMor. This park bench comes in a variety of colors; cedar, grey, redwood, and/or green. With the exception of Horace White Park, Riverside Park, and the downtown Riverwalk Trail, this park bench may be requested to be placed in any of our city parks and/or trails.

- Bench with Plaque and Installation: \$650.00**
- Bench Purchase only and Installation: \$500.00**

PARK BENCH DONOR APPLICATION

If you are interested in purchasing a Park Bench, please complete the application form and mail it to the Parks & Leisure Services Division along with your check made out to the City of Beloit. If you have any questions or need additional information, please call 608/364-2919 and speak with the Director of Parks & Leisure Services, Brian Ramsey.
