

# Beloit Police Department Retiree Identification Application

**Certification Card Expiration** - All retiree identification cards are valid for the life of the retired officer and does not require renewal. However, nothing will preclude the Chief of Police from shortening the expiration if he/she determines that the retired officer no longer meets the standards under which it was issued. The retired officer will surrender the identification card upon request of the Chief or his designee. The Beloit Police Department will maintain a record of all retiree cards issued. No person other than a law enforcement officer may request information regarding the issuance of a retired law enforcement identification card.
